### **New Earswick All Blacks Rugby League Club**

We are currently recruiting for our under 8's, 9's and 12's rugby league team. We have a number of children who come weekly but need a few more to enter teams for the 2016 local league.

Why not come and join in the fun and learn a great game whilst learning. Your child can learn discipline, communication, becoming a team player and developing skills to develop as a person. We welcome children of all abilities and experience in rugby league

All our coaches and volunteers are Level 2 Qualified Coaches, enhanced DBS checked and are trained in the latest Safeguarding and Protecting Children that meet are requirements of being a Gold Marked club.

We are currently looking for Boys & Girls for our Under 8's and 9's which train outdoors on Tuesday and Thursdays at New Earswick Sports & Social Club between 18:00pm - 19:00pm.

#### Training:
